Subject: Recommendation for Mugabe Prince

Dear Sir/Madam,

I am writing this letter for **Mugabe Prince** he is one of our students of the Adventist University of Central Africa (AUCA) waiting the graduation in November 2024, in the Faculty of Information Technology Software Engineering.

In the performance of his studies, **Mugabe Prince** has learned a lot which would certainly affirm his success in his academic endeavors. Kindly permit me to add that during his stay at AUCA, I have found him to be a committed, patient and disciplined person. He listens to remarks and he is dedicated to his academic work and social services. His positive attitude during his life at AUCA has maintained him to be in good tune with the laws and terms of the University academic regulations.

He has been academically performing excellently and I believe that this will contribute to his success in his employment area.

Any other information that you may wish to have about **Mugabe Prince**, kindly address it to me for any further assistance.

Thank you very much for your collaboration with us.

Sincerely,

Prof. Niyonzima Theogene (Ph.D)

Deputy Vice Chancellor for Academics
